Don't miss this bright, beautiful, updated home! You'll love the new windows that provide lots of natural light, and the vaulted ceiling in the living & dining rms. You'll appreciate the new laminate floors through-out, and the updated kitchen with new cabinets, counters, large & deep sink, and appliances. Features also include 3 updated bathrooms, a newer gas furnace & water heater, a deep garage with storage area, frig that stays & garden shed. This tri-level offers a family room, bedroom & 3/4 bath with new shower downstairs. You'll enjoy the large fully-fenced yard with many options: BBQ & entertain on the large patio, there's plenty of room to roam & play games, as well as garden. Simply add some finishing touches to make this your own home!
