Bright & open floor plan perfect for entertaining! You'll appreciate the freshly painted exterior, newer windows, new gas furnace, water heater & AC. Kitchen updates include beautiful tile counters, lots of cabinets, stainless steel apps & lighted wall cabinets. The primary bedroom on main level has a walk-thru closet & adjoining bathroom also accessible from the hall. The updated bathroom features a large, heated jet tub & cabinet w/ w/d hook-ups. The spacious lot is fully-fenced w/gates on both sides & includes an 8x12 shed. The deep garage has a work area; there's plenty of parking in front/off-street in addition to the extra-long covered RV/boat/trailer parking. You may enjoy no HOA, power to charge cars & septic system approved for 3 bedrooms.
